

Hongkong Map

Hong Kong, a Special Administrative Region of PRC, has grown from what was a simple fishing village into the world's fourth largest banking and financial center and eighth largest trading economy. Situated in the southeast corner of China, Hong Kong occupies an area of 1,104 square kilometers (about 426 square miles) and is home to more than 6,970,000 people. Most people (about 97% of the population) are Chinese and speak Cantonese and English, although Mandarin is becoming more popular in Hong Kong now
